DETAILED ACTION

Allowance

1. **Claim(s) 1, 8-11, 18-21, 23-27, 29 and 35-47** are allowed.

2. The following is an examiner's statement of reasons for allowance:

Regarding **claim(s) 1, 9, 11, 19, 21, 29, 35, 37 and 40**, in combination with other limitations of the claims, the prior art of record fails to suggest or disclose an header data automatically generated by a portable digital audio recorder, a personal computer reading the header data transferred to the personal computer and based on the header data selects one of the plurality of information processing devices to receive a voice data file.

It is not obvious to modify Terui adding the selecting step described above because the destination voice file is not recorded in the header portion of the files.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
